## ABOUT US

*"We are on a mission to seek and deliver happiness to you through your built environment. When you fall in love with your property and environment; when you admire the quality, elegant and classy finish on that task you entrust us with; when you smile, our happiness in turn abounds, and we have a community of smiles and happiness. That's it!" - Flamboyant Projects Team*

Flamboyant Projects is a Zimbabwean full-house general contracting firm focusing on general residential, commercial and industrial construction, block paving and landscaping. We pride ourselves in exceptional knowledge and skills to build your dreams and actualize your vision of your physical environment. We bring the best expertise to make your vision a reality.

We love beauty; we love quality; we love happiness and we believe that happiness can be built and derived from built environments. It is on the basis of these beliefs and our love of beauty that we have set out on a singular goal of spreading happiness through the built environment. We want to be part of your story and help activate your own happiness through your built environment.

We believe in long lasting value, strength and durability and we apply these in every project we lay our hands on. This is our promise to all our clients and stakeholders.

Flamboyant Projects is registered with the Procurement Regulatory Authority of Zimbabwe (PRAZ) and the National Employment Council (NEC) of the Construction Industry for Zimbabwe.

### OUR VISION

Building happiness through the built environment.

### OUR MISSION

Building happiness, for posterity.

### OUR VALUES

- > Professionalism
- > Integrity
- > Quality
- > Trust
- > Teamwork
- > Efficiency

Our values and principles define how we operate and relate with our staff, clients and stakeholders.

## CONSTRUCTION

We provide full-service design and construction ranging from residential, commercial and industrial. Our design and construction is tailored to suite client's needs and specifications, while we provide full advice, support and innovation to bring in the Flamboyant Projects standards of eco and environmentally friendly and green design and construction, sustainability and cost-effectiveness.

### Project Management

Our team consists of seasoned, experienced and innovative professionals. From conception to completion your entire project will be professionally managed by one of our capable projects management teams.

### Architecture and Civil Engineering

We have experienced architectural and civil engineering personnel to meet your structural design needs and beyond, be it residential, commercial or industrial.

# BLOCK PAVING

We provide all forms of block and stone paving for driveways, parking lots and all places for which paving is needed. Our pavers are suitable for pedestrian areas, drive ways, or heavily trafficked areas such as container ports and aircraft hard standing. They are strong durable and require minimum maintenance.

Visit our website to view our paving catalogue

- 3D Layouts

- Flower Planting

## OUR TEAM

We take pride in our experienced technical and administrative team that is ready to deliver happiness to you. Our team consists of handpicked, carefully selected artisans, experts, administrators and professionals who deliver all things construction. We believe in coordinated and professional team work from our administrative side to our project sites.

## SAFETY

Flamboyant Projects prioritizes safety precautions observation and safety awareness at all levels of the organization. There are no exceptions when it comes to the safety of our staff, clients, visitors, the public and animals. We have an active safety framework enforced by management and site supervisors on all our projects. Our belief in team work helps our team members to be accountable to and for each other. Safety is a culture to us.

## CLIENTELE

Flamboyant Projects has since inception been delivering happiness in all the regions of Zimbabwe and has served residential, commercial and industrial clients. Our clients range from homeowners to farm owners, schools, land developers, landowners, corporates, industries and public infrastructure authorities. For us the flamboyant lifestyle is something that everyone deserves, from the vendor on the street to the corporate CEO and the large enterprise. It is not about extravagance but it is about the quality and the experience at whatever scale or size. That is the flamboyant lifestyle.

- Residential Clientele
- Industrial Clientele
- Business and Corporates
- Commercial Clientele
- Public Infrastructure Authorities

*"My house looks beautiful. The Flamboyant Projects team were professional, they delivered a quality service, their customer service and after sales service care is excellent. Job well done!" - Mr Sibiya Paving Client*

In line with our purpose, we aspire and strive to give you, our clients, the **Flamboyant Projects experience**. Here is how it looks like:

## THE FLAMBOYANT PROJECTS HAPPINESS CHARTER

### 1. **Building happiness, for posterity**

We are not just building structures. We are building happiness for posterity through craftsmanship that brings long-lasting value. Our Vision is **Building happiness through the built environment** and our Mission is **Building happiness, for posterity**.

### 2. **The best at what we do**

Our mark of distinction is quality of service and quality of products. We seek to be the best at what we do and to be known for it in the industry. It matters how big we get, but our pursuit is simply to be the best at what we do. Our work speaks for us, and our reputation precedes us.

### 3. **Our values**

In all we do, we are driven by professionalism, trust, efficiency and quality.

### 4. **We put people first**

We are in the business of making people happy. That is our mission, our value, and our business model. We are not in the business of brick and mortar, but people and their happiness. In all we do, we put people first: we prioritise them, their welfare, their safety, their satisfaction, their health, their wellbeing, their joy and happiness, their self-actualisation, and their ability to soar and flourish.

### 5. **Presentation that inspires confidence**

Our promise to our clients of professionalism, trust, efficiency and quality manifests in the manner we present ourselves to the world. We strive for presentation that inspires confidence, in manner, outlook, speech and deeds.

### 6. **Communication and response that bring joy**

We value those who work, partner, collaborate, support and trust us. Communication shall be answered and responded to promptly and professionally, and clients shall be served at the best possible instance that secures quality of both service and product. We believe that constant and proactive communication builds trust, confidence, and facilitates excellent in service. This is part of our client service experience.

### 7. **Honesty and integrity are our currency**

Integrity is our currency. The trust of our clients sustains us. Truthfulness, accuracy and candour are standards in all our communication and engagements with our clients, stakeholders, partners, associates, affiliates and supporters.

### 8. **After-service, we remain at your service**

Every client will be engaged after service to check for full completion of assignment, satisfaction, get feedback, and correct any anomalies. We put our clients' happiness and satisfaction over profits.

### 9. **The happiness test and promise**

In all our interactions with our clients, we will always check whether our clients are happy with the service, progress, responsiveness, communication, and all else that is part of the Flamboyant Projects service experience. Our promise is that we will work until our clients are happy.

### 10. **Be happy!**

As the Flamboyant Projects Team (The Happiness Team) is dedicated to serving happiness, we value the happiness, well-being, self-care, safety and conducive operating environment for all our team members. Only under such circumstances are we able to spread our happiness.
